

**ABOUT
NEW CREATION
HEALING CENTER**

In all things, we work to help people come to a new awareness of the presence, power and love of Jesus Christ in their lives. We minister to body, mind and soul. We recognize that everything which makes up a person - physical, emotional and spiritual - works together to determine the health of the whole person. Everything is done within the framework of a biblical, Christian worldview and with the understanding that each person is a unique and precious creation of God.

New Creation Healing Center, along with Dr. Mary Pearson were pleased to bring Jennifer J. Jubinville, LMT as a Licensed Massage Therapist on to our staff in October, 2001, to assist in caring for the whole individual.
