A PERFECT GIFT (AND CHRISTMAS IS COMING)

A special gift to yourself might be a massage with Jenn, our board certified Massage Therapist. She is also certified in pediatric massage. Massage is a great way to relax and a great way to boost your immune system as we head into “sick season.” Massage reduces stress and this allows the body to focus more on maintaining systems properly so as to fight off illnesses. Appointments can be made at the front desk.

And, what a wonderful Christmas gift a massage gift certificate would make. There are a variety of certificates available — for different durations of massage (half an hour, one hour, longer), for single or multiple massages, etc. If you purchase four massage gift certificates, the fifth one is half-price.

THANK YOU!

We recently sent you a mailer describing the work of New Creation Healing Center as a non-profit 501 (c) (3) organization and how you could help us in our work. Thank you to those who have already responded, many quite generously. If you haven't as yet responded, your tax-deductible donation payable to New Creation Healing Center would be gratefully received. Either mail it to us at 80 Route 125, Kingston, NH 03848, call it in on your credit card to the front desk at (603) 642-6700, or hand it to the receptionist when you're here.

WINTER'S WHITE SNOW CAN OFTEN MAKE YOU BLUE

We are blessed at New Creation to have two trained, licensed counselors to help you talk through whatever is distressing you emotionally. It could be a major life problem, a little bump in the road, or just the gloom of some winter days. Leave a note for Paula or Judy to call you to see if an appointment with one of them might be right for you.

TELL US YOUR EXPERIENCES WITH SOLAR POWER

With refrigerators for vaccines and a whole slew of computers going all day, electricity costs are a major expense at New Creation. Plus, we want to be sensitive to the environment. Would you share with Dr. Mary your personal experience with solar power, please?

MOVIE MONTH IS COMING US!

Dr. Mary announces that starting January 9 and running several weeks we will be showing family-friendly movies in The Meeting House starting at 6:30 p.m. Free popcorn! (The movies are free, too!) We'll be posting the movie titles on our website soon.
