

A PERFECT GIFT

A special gift for someone or for yourself might be a massage with Jenn, our board certified Massage Therapist. She is also certified in pediatric massage. As the mother of an active 4 year old boy, she knows the value of massage for kids. It might be a great gift for your youngster! Call the office and ask to speak with Jenn.

COUNSELING

Our professionally trained, compassionate counselors Paula and Judy are here to help you talk through and work through whatever issues are bothering you. Give the office a call to book an appointment or at least briefly chat with one of them to see if counseling might be right for you.

LABORATORY SERVICES

We are now using Boston Clinical for our laboratory service because of their pricing, availability and customer service. If you are not sure if they participate with your insurance, you can reach Boston Clinical at (781) 893-1995, or speak with your insurance provider directly.

HEALING SERVICES—PRAYING WITH YOU

Our services are gentle services of Christian worship led by New Creation staff members and people from area churches. Let us pray with you for your concerns and needs. **4 p.m. the second Saturday of each month. Upcoming: July 8, August 12, Sept. 9.** The service lasts for about one hour. All services held in The Meeting House next door.

IMPORTANT INSURANCE REFERRAL INFORMATION

We regularly receive referral requests while you are at your specialist's appointment or even afterwards. Because we receive so many referral requests and staff are busy with the patients in our New Creation office, we cannot always get to you the day you call. Often this causes a problem for you. Sometimes referrals cannot be backdated and you may wind up having to pay a large medical bill.

Please make sure when you make an appointment with your specialist you give us 5 days advance notice. This allows us enough time to process the referral request. If you are not sure your insurance company requires a referral, call the toll free telephone number on the back of your insurance card to make sure the specialist accepts your insurance. If you have a PPO plan, you never need to obtain a referral, but make sure they are "in network" otherwise you may pay more.

GOT EMPTY INK or TONER CARTRIDGES?

We'll take 'em! We turn them in for rewards to help our expenses.

WEDNESDAYS THIS SUMMER

Save the dates!

We've got two special programs here on Wednesdays this Summer:

- **LUNCH AND LEARN. July 12-August 16, at noon:** "Christian Healing." What does the Bible say about praying against illness, both physical and emotional? How can you receive this for yourself and offer it to others? World-renowned author and speaker, our very own Canon Mark Pearson, will share his knowledge and teach you practical application to daily life. \$8 per session or \$40 for all 6 sessions if you pre-register and pay, or \$10 per session at the door. Includes lunch.
- **"SEARCH FOR SIGNIFICANCE." July 12-August 23, from 6:00 to 7:30 p.m.** A life-changing program that has helped so many. \$20 per person, including resources. Advance registration is required. There's homework involved and some preparation for first session.

THE GARDENS at NEW CREATION

Our gardens are having an open house the **second Saturday of the month from through October, 9:00 to 11:00.** It's a time for you to bring your questions (even with photos of your garden) for expert answers. At 10:00 a Master Gardener will be giving a brief talk about some aspect of gardening. There's no cost for this. In addition, we are again having a Giving Garden to grow vegetables to help the local food banks. We could use your volunteer help. Come and work with us an hour or two?
